

RUSTPROOF WARRANTY

A lifetime rustproof warranty is offered on all Lauxes floor grates to the original owner of the product. This guarantees that should all or part of the installed Lauxes floor grate* develop rust to the physical structure of the grate; Lauxes Grates shall replace all or part of the warranted product at no cost to the consumer, provided the steps below have taken place:

- o Lauxes floor grates* were installed by a licensed plumber and in accordance with AS 3740-2010.
- o Primary clean must have taken place immediately after installation as outlined in our product care information (visit ["cleaning and maintenance"](#)).
- o No metal particles or external deposits have been left on the grate at any time.
