

# WARRANTY

## WARRANTY INFORMATION

Lauxes grates are carefully designed and manufactured to the highest standard with meticulous attention to detail. It is because of this care we stand behind your recently purchased unique, cost effective and rust proof product.

Damages arising from improper/insufficient/negligent care or installation not in accordance with AS/NZS 3500.2 or the manufacturers specifications will void the product warranty.

If at any time the product itself should develop any defect, Lauxes Grates agree to correct the defect(s) without charge to the registered purchaser/original owner. This guarantee does not provide coverage of repairs necessitated by normal wear, misuse, accidental damage or as a result from poor cleaning (visit ["cleaning and maintenance"](#) for more information).
